The Honorable Board of Supervisors

Dear Supervisors:

**STREET LIGHTING DISTRICTS
EXCHANGE OF PROPERTY TAX REVENUES RESULTING FROM ANNEXATIONS
TO COUNTY LIGHTING MAINTENANCE DISTRICTS 1616 AND 10032
CITY OF PALMDALE AND CITY OF AGOURA HILLS
SUPERVISORIAL DISTRICTS 3 AND 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of territories to County Lighting Maintenance Districts 1616 and 10032, as approved by other nonexempt taxing agencies to provide for the transfer of property tax increment.
2. Adopt the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenues resulting from Annexation of territories to County Lighting Maintenance District 10032 on behalf of the Resource Conservation District of the Santa Monica Mountains and the enclosed Resolution Approving and Accepting the Exchange of Property Tax Revenues resulting from Annexation of territory to County Lighting Maintenance District 1616 on behalf of the Palmdale Water District – Zone A to provide for the transfer of property tax increment.

3. Instruct the Executive Officer of the Board to file a copy of the adopted Resolutions with the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This recommended action is for your Board to approve these exchanges of property tax revenues among the County of Los Angeles, the Cities of Palmdale, Agoura Hills, and other non-exempt agencies whose service areas are subject to jurisdictional change. The exchange of property tax revenues will provide funding for the operation and maintenance of street lights within territories recently annexed into County Lighting Maintenance Districts 1616 and 10032 as a result of subdivision development.

Your Board previously approved the annexation of territories covered by the enclosed Resolutions to County Lighting Maintenance Districts 1616 and 10032 for the purpose of installing and maintaining street lights. To secure the ad valorem taxes for the operation and maintenance of street lights in these annexation areas, it is necessary for your Board to approve the enclosed Resolutions. This will allow for the filing with the State Board of Equalization the statement of boundary changes.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as this exchange of property tax revenues provides the funding necessary for the operation and maintenance of the street lighting facilities within annexed territories.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the current Fiscal Year 2004-05 and in Fiscal Year 2005-06 budget to cover the operation and maintenance costs of the street lights. The transfer of property tax revenue from these annexed territories to County Lighting Maintenance Districts 1616 and 10032 will begin Fiscal Year 2006-07.

The ongoing operation and maintenance of the street lights within these areas will be financed by the collection of ad valorem property tax and assessments annually approved by your Board.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 99.01 of the Revenue and Taxation Code provides that affected agencies must approve and accept the exchange of property tax revenues by Resolution. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The Joint Resolutions Approving and Accepting the Exchange of Property Tax Revenues approved by the cities and non-exempt agencies are enclosed for your consideration.

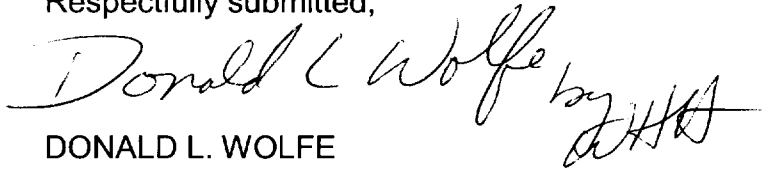

The Board of Directors of the Resource Conservation District of Santa Monica Mountains have not returned an approved Resolution for the exchange of property tax revenue for Tract No. 34274, Tract No. 37246, and Parcel Map 12051 despite numerous contacts by County staff. The Board of Directors of the Palmdale Water District - Zone A have voted not to participate in the exchange of property tax revenue for Project L 031-98. Since it is equitable that each local agency participate in the exchange of property tax revenue generated in the area subject to the jurisdictional change, we recommend that your Board adopt the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenues on behalf of the Resource Conservation District of Santa Monica Mountains and the Palmdale Water District – Zone A for Tract No. 34274, Tract No. 37246, Parcel Map 12051, and Project L 031-98, respectively.

Following the Board's approval of the enclosed Resolution, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et. seq. of the Government Code. The State Board of Equalization will approve the transfer of property tax revenue beginning in Fiscal Year 2006-07.

THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES
APPROVING AND ACCEPTING THE EXCHANGE OF
PROPERTY TAX REVENUES RESULTING FROM
ANNEXATION OF PROJECT NO. 100-602 (L 031-98)
TO COUNTY LIGHTING MAINTENANCE DISTRICT 1616**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County of Los Angeles and the Consolidated Fire Protection District of Los Angeles County; the City Council of the City of Palmdale; the Board of Directors of the Antelope Valley Mosquito and Vector Control District; the Board of Directors of the County Sanitation District No. 20 of Los Angeles County (County Sanitation District No. 20); the Board of Directors of the Antelope Valley Resource Conservation District; and the Board of Directors of the Palmdale Water district – Zone A have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation identified as Project No. 100-62 (L 031-98) to County Lighting Maintenance District 1616 is as set forth below; and

WHEREAS, the Palmdale Water District – Zone A has declined to negotiate an exchange of property tax revenue due to the annexation of territory to County Lighting Maintenance District 1616 and, pursuant to Section 99.01(4) of the Revenue and Taxation Code, the Board of Supervisors of the County of Los Angeles is charged with the responsibility for determining the exchange of revenue; and

WHEREAS, the Board of Supervisors of the County of Los Angeles has determined that the amount of property tax revenue to be exchanged between the Palmdale Water District – Zone A and the County as a result of the proposed annexation is described herein.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County of Los Angeles and the Consolidated Fire Protection District; City of Palmdale; the Antelope Valley Mosquito and Vector Control District; the County Sanitation District No. 20; the Antelope Valley Resource Conservation District; and the Palmdale Water District – Zone A resulting from the annexed territory identified as Project No. 100-602 (L 031-98) to County Lighting Maintenance District 1616.

2. The exchange of property tax revenue between the County of Los Angeles and the Palmdale Water District – Zone A as a result of the proposed annexation to County Lighting Maintenance District 1616 is determined by the Los Angeles County Board Supervisors pursuant to Revenue and Tax Code Section 99.01 to be that amount as set forth below.

3. For fiscal years commencing on or after July 1, 2005, or July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Project No. 100-602 (Tax Rate Area's 7452, 7453, 11770, 11772, and 12272) shall be allocated to the affected agencies as indicated in the enclosed Worksheet.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.
